

Fellow Workers in Christ

Romans 16:3-5

Discussion Questions

Discuss your thoughts on these main points from Pastor Stephen Campbell's sermon:

- 1) The church (local and global) is made up of co-workers in Christ Jesus.
- 2) Each of us is to be an active part of the local body of Christ that participates in the mission of God to make disciples.
- 3) You are a fellow-worker in what God is doing on a larger scale – local, national, and global.

Discuss these four reflection questions together:

- 1) Do you acknowledge that you have a mission?
- 2) Do you labour in that mission or are you a spectator?
- 3) Do you live and labour with the other members of this body or do you try to fulfil this mission alone?
- 4) Do you labour "in Christ Jesus" or do you rely on your own strength and wisdom?
